Welcome Dancers!

On behalf of the entire convention committee, it is our great pleasure to welcome you to “JOIN THE FUN IN 51!” the 51st Tennessee State Square and Round Dance Convention!

We are thrilled to have dancers, callers, cuers, and friends from across Tennessee and beyond gathered together for a weekend filled with friendship, laughter, music, and dancing. Whether this is your first convention or one of many, we hope you feel the warmth and hospitality that make our square and round dance community so special.

This year’s convention celebrates not only the joy of dancing, but also the lasting connections and memories created on the dance floor. We invite you to enjoy every tip, every round, and every moment spent with fellow dancers who share the same love for this wonderful activity.

A special THANK YOU goes to our Callers, Cuers, Line Dance Instructors, Contra Prompters, volunteers, sponsors, and committee members whose dedication and hard work made this event possible. Your support keeps our traditions alive and helps our dance community continue to grow.

We congratulate all who earned their Tennessee Traveler or Super Traveler dangle. Any dancer can earn a Traveler dangle. We encourage all dancers to visit and support other clubs, other State Conventions, and the National Conventions.

Please take a few minutes to complete the survey, they are located at any registration desk. We welcome any suggestions or input you might have. They provide us with great insight. As you participate throughout the weekend, we encourage you to meet new friends, reconnect with old ones, and most importantly—have fun!

Begin NOW making plans to attend the 2027 TN State Square & Round Dance Convention. The theme will be “We WANT YOU in 52!!” at this same location.

Thank you for being part of the 51st Tennessee State Square and Round Dance Convention. We hope your time here is filled with happy memories, great dancing, and Southern hospitality at its finest.

Welcome, and happy dancing!

Sincerely,

Dusty Disney

Square dance has its roots in various European folk dances, including the English country dance, French quadrille, and Scottish dance traditions. These influences converged in the United States, where square dance evolved into its modern form.

Who said dancing couldn't be intellectual? Following the caller's instructions requires focus, quick thinking, and spatial awareness. It's like solving a puzzle, but with rhythm and flair. Research even suggests that activities like square dancing can help improve cognitive function and memory. So really, every do-si-do is a step toward brain health!
